FibreCast is located north of the QEW between Guelph Line and Walkers Line at 3264 Mainway in Burlington Ontario (east of Pioneer Road).

Approaching from the west via Hamilton, take the Guelph Line Exit in Burlington. Turn left onto Guelph Line and continue to Mainway (3 lights). Turn right onto Mainway and proceed just past Pioneer Road. Total distance from Guelph Line is approximately one kilometer. FibreCast is on your right.

Coming from the east via Toronto, take the Walker's Line Exit in Burlington. Exiting at Walker's Line, head north away from the lake (right). Turn left at Mainway and drive approximately two kilometers toward Guelph Line. FibreCast will be on your left.
